(INTRO/INTERLUDE)

(VERSE 1)

In my trouble, my distress
You are with me, my righteousness

In my struggle, you are strong,
In your kingdom, I belong.

(PRE-CHORUS 1)

You are the life in the dying,
You are the joy in the tears.

(CHORUS)

I believe, that Your light will never fail,
That the dark will not prevail
Because You're with me.

I believe, that Your promises are true,
That my hope is found in You
Because You're with me...

(VERSE 2)

In my tri-al, (I'm) not alone,
You are with me, my cornerstone

In my battle, you're my shield
In your presence, I am healed.

(PRE-CHORUS 2)

You are the hope in the hurting.
You are the strength in the fear.

(#CHORUS#)

(BRIDGE)

You are faithful, You are faithful God
You are faithful in everything.
You are faithful, You are faithful God
You are faithful in everything.

I will trust You, I will trust You God
I will trust You in everything,
I will trust You, I will trust You God
I will trust You in everything!
