## (INTRO)

## (VERSE)

You are enthroned,  
In the praises of the people You own,  
Lord You bought us with the blood of Your cross,  
Paying the cost we owed.

You stand alone,  
There's no other like You. No one comes close,  
Lord You're worthy of the best of our praise,  
Come to this place, we welcome You home,

## (CHORUS)

Lord please take Your thr o - ne. Take Your throne.  
Lord please take Your thr o - ne. Take Your throne.

## (BRIDGE)

In the sanctuary of our hearts,  
Be exalted Lord, how great Thou art!  
In the sanctuary, Jesus we will praise,  
We will praise!
